

CLR

VITE CALCESTRUZZO PER FISSAGGI STRUTTURALI CONCRETE SCREW FOR STRUCTURAL FIXINGS

**ELEVATA VELOCITÀ
DI INSTALLAZIONE**
QUICK INSTALLATION

**DISTANZE DAI BORDI
ED INTERASSI RIDOTTI**
REDUCED EDGE DISTANCE
AND SPACING DISTANCES

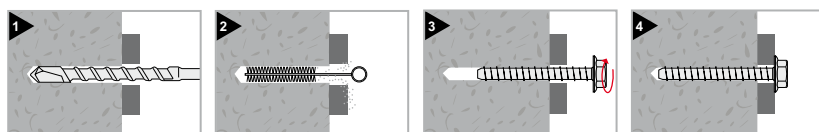

3 PROFONDITÀ DI POSA CERTIFICATE
3 CERTIFIED EMBEDMENT DEPTHS

CLR

Vite calcestruzzo per fissaggi strutturali
Concrete screw for structural fixings

CERTIFICAZIONI CERTIFICATIONS

Calcestruzzo fessurato
Cracked concrete
Resistenza al fuoco R120
Fire resistance R120

**Testa esagonale con rondella
integrata e zigrinatura sottotesta**
Hex head screw with built-in washer
and knurling under head

**Filetto mordente - riduzione
coppia avvitamento**
Cutting thread - low torque needed

Posa diretta senza tassello
No plug required

**Elevata tenuta
in relazione al diametro**
High loading capacity
in relation to diameter

Elevati valori di carico vicino ai bordi
High load values near edges

**Elevati valori di carico
ad interassi ridotti**
High load values
with reduced spacing distances
